

INFORMATION ON THE OUTCOME OF THE TENDER PROCEDURE

Reference: Tender Inquiry dated 22 April 2026

within the framework of the project:

“EUOrganic – promotion of EU organic products in third countries”

concerning the implementation of:

WP5.2 – production of 36 promotional video materials for the markets of the United Arab Emirates, Egypt and Serbia

The Polish Association of Organic Food Processors and Producers “Polska Ekologia” hereby informs that, following the completion of the tender procedure, a Contractor has been selected for the implementation of the subject of the contract.

Two offers were submitted within the deadline:

1. **Prosperous Company s.r.o.**
2. **Atlas Marketing Studio S.L.**

Following the formal and substantive evaluation of the submitted offers, the Evaluation Committee concluded that the offer submitted by **Prosperous Company s.r.o.** meets all requirements specified in the Tender Inquiry and obtained the highest number of points among the offers eligible for evaluation.

At the same time, the Evaluation Committee determined that the offer submitted by **Atlas Marketing Studio S.L.** must be rejected due to failure to provide a valid bid bond in accordance with the requirements set out in Chapter VIII of the Tender Inquiry.

Consequently, the Contracting Authority has selected the following offer:

Prosperous Company s.r.o.

Net offer value: EUR 210,000.00

The procedure was conducted in accordance with the provisions of the Tender Inquiry and the principles of transparency, fair competition and equal treatment of tenderers.
